President's Message

2020 began well with our January and February meetings and the Last Naval Battle observance. Pandemic disruptions and stay-at-home followed, meetings were cancelled and elections were postponed. No virtual meetings or events were held.

Our "Brevard Artillery Battery" addressed the need to relocate the Last Naval Battle cannon monument at the Veterans Memorial Center. The task widened. Deterioration was detected and then found to be worse than first thought. Nonetheless, a new cannon was purchased, transported, and installed, and the monument relocated to a better location.

We resumed meeting in person in October, installed new Compatriots, and elected and installed Officers while observing CDC protocols. Our November meeting followed a Veterans Day observance and included installing additional Compatriots. Two Sheriff's Deputies with the K-9 unit gave inspiring presentations and put two very different dogs through their paces. I polled both our Executive Committee and November meeting attendees on whether we should continue in person meetings and they unanimously answered "yes".

I invite you to our December meeting. We will continue observing CDC protocols to mitigate pandemic risk. That does not mean the risk is zero. I count on you to decide appropriately as your circumstances dictate. Also, if you donate to Brevard Chapter before year end, that should qualify for the 2020 \$300 tax deduction even for non-itemizers. As for thanksgiving, I am thankful for each of you, Compatriots.

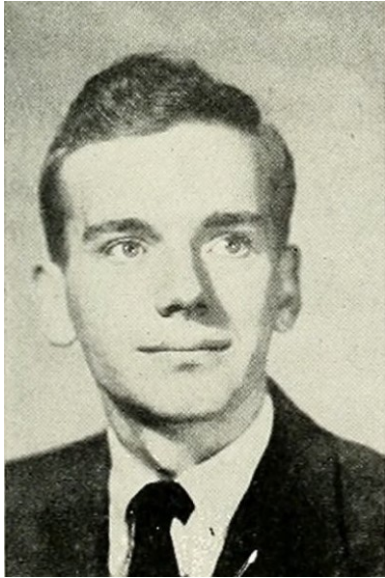

For the Cause,

James Gearey Ward

Willard Bill McLeod

Bill enjoyed golfing so much he went 6 days a week. Every time he arrived at the 16th hole Bill would call his wife Maura to let her know that he would be home shortly. On Wednesday November 25, 2020 he called from the 16th hole and on the 17th hole Bill went home to be with the Lord. Born in Milford, New Jersey and raised in Rockland County, New York the same county where his Patriot John Jersey 1740-1821 P-224657 was buried. Being an avid golfer, Bill never keep score. Bill would always give the golf cart attendant a snack for taking care of the cart.

Every morning Bill and Maura would go to McDonalds to order 2 oatmeal's and one senior coffee.

He enjoyed being a wheeler-dealer especially with golf clubs. Pastor Clay Stevens talked about Bill talking him into buying unique clubs that Bill had purchased earlier.

Bill's most noted phrase: "Thank the good Lord pray for miracles."

Dogs in the Revolutionary War

November's meeting we had the opportunity to have two of Brevard Sheriff K-9s and their handlers. Each K-9 possesses different abilities. Roland a Bloodhound is used strictly for tracking while Zeppelin is trained for pursuit and investigation.

Dogs were used in the Revolutionary War by our Patriots as well as the British. Many dogs were owned by the common troops and served as companions as well as for hunting. It was common to have the owner's name in scripted on the dog's collar.

At the Battle of Germantown PA a dog owned by British General Howe ended among the Continental Troops. The dog's collar listed General Howe's name so the dog was brought to General Washington who in turn had the dog returned back to General Howe along with the note below.
